1. Copies of two German-language studies on political and economic developments in the USSR have been deposited in and are available from the CIA Library. The English translations of the titles of the documents are:
- A. Monthly Summary of Developments in the USSR in the Month of March 1955.
 - B. Monthly Summary of Developments in the USSR in April 1955.
2. Although these studies appear to be based on the overt press, they may be of some value in this compiled form.
